GEORGIA

Georgia is a member of the Council of Europe and the GUAM Organization for Democracy and Economic Development. It contains two de facto independent regions, Abkhazia and South Ossetia, which gained limited international recognition after the 2008. Georgia and a major part of the international community consider the regions to be part of Georgia's sovereign territory. Georgia is a country in Eurasia, located on the crossroads of Eastern Europe and West Asia. Nestled between the Greater Caucasus and Lesser Caucasus mountain ranges.

LORD KRISHNA TEMPLE, TBILISI, GEORGIA

Georgia is still quite a conservative country. Yet, there is a dedicated group of Georgian Krishna devotees who have built this beautiful temple where they can conduct regular worship. All Indian students visit at the temple and getting peace of mind and Indian environment

Thank you very much Maya Bhakti

BOLLYWOOD IN GEORGIA

Bollywood” puts an accent on the finest place of Georgia. With Bollywood filmmakers keen on exploring newer filming locations, Georgia turns out to be the next filming hotspot for Bollywood. Recently many Bollywood film representatives visited Georgia to explore new filming locations, existing infrastructure, meet local production service companies and hear all the benefits that the government of Georgia has on offer.

INDIAN SPORTSMEN IN GEORGIA

Men's Freestyle and Greco-Roman teams, including qualified wrestlers -- Yogeshwar Dutt (65kg Freestyle), Narsingh Yadav (74kg Freestyle) and Hardeep Singh (98kg Greco-Roman) -- will be undergoing special training in Tbilisi, Georgia, till May 4.

While the men's team would be based in Tbilisi and female team in Sofia, all of them will go to Mongolia to participate in an Olympic qualifying tournament -- first World Qualification tournament from April 20 to 24 before coming back to the respective cities to continue their training.
